

# Model: Nova - 48"

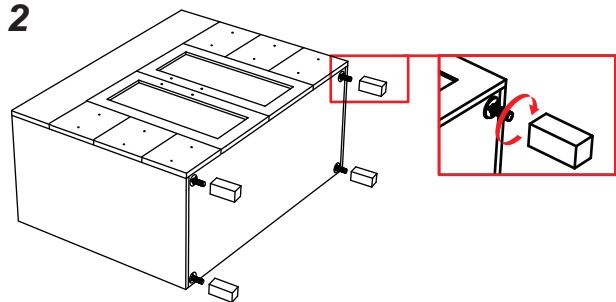

## Installation Instructions

**Notes:** We recommend that you rough-in the drain and water lines after receiving the unit.  
The vanity should be installed by a professional plumber.  
Drainer pipe and trap are not included.  
If you experience any difficulties with this product, do not return to the point of purchase. Please contact LAVIVA directly at [support@lavivaforlife.com](mailto:support@lavivaforlife.com), and we will help resolve your issue.

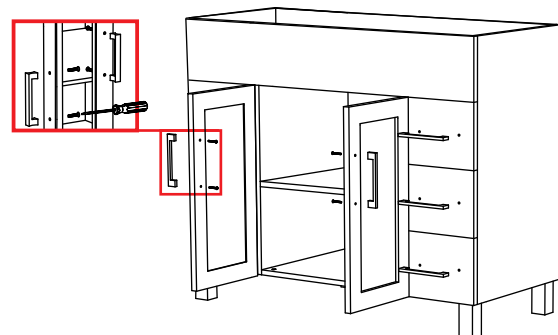

| Part List | A(basin)                                                                          | B(cabinet)                                                                        | D (pop-up)                                                                        | F(screw)                                                                            | G(handle)                                                                           | H(screw)                                                                            | I(adjust leg)                                                                       |
